SHARE ACCOUNT RATE INFORMATION

The Annual Percentage yield is a percentage rate that states the amount of dividends, based on the dividend rates and frequency of compounding for a 365 day period. The dividend rate and the annual percentage yield may change at any time as determined by the Board of Directors.

COMPOUNDING

Dividends will be compounded quarterly and credited quarterly. The dividend period begins on the first calendar day of the period.

EFFECT OF CLOSING AN ACCOUNT

If the account is closed before dividends are paid accrued dividends will not be paid for the period.

MINIMUM BALANCE REQUIREMENTS

Five dollars is required to open an account. To earn the Annual Percentage Yield dividend a minimum daily balance of \$25.00 for each day of the dividend period is required. Dividends are calculated using the average daily balance method, which applies an average periodic rate to the balance in the account. Dividends begin to accrue on cash and non-cash deposits, such as checks, on the business day of the deposit.

The Dividend and Annual Percentage Yield is fixed and will be in effect for the term of the certificate. The Board of Directors determines these rates at their monthly meetings. A penalty will be imposed for early withdrawal. A minimum deposit of \$500.00 is required to open a share certificate. The penalty is calculated on the part of the dividends that have been or would be earned on the share certificate, and applies whether or not the dividends have been earned.

All certificates are automatically renewed at maturity at the applicable rate at the time of renewal. There is a ten (10) day grace period to withdraw or close the account without a penalty. Notices will be mailed prior to maturity and upon renewal. Dividends will be compounded quarterly and credited quarterly and at maturity.

Share Certificates are non-negotiable, non-transferable, and non-assignable with the exception that it may be assigned as security to GUADALUPE PARISH CREDIT UNION.
